CLEAN UP DAY

SATURDAY, NOVEMBER 6, 2021

Prince George's County Department of Environment has agreed to place a dumpster *between 2105 and 2021 on High Timber Road at the recreation grounds* for Sunrise residents to participate in a community clean-up day. Clean-up will begin at 7:30 a.m. on Saturday, November 6, 2021.

DOING YOUR PART FOR OUR COMMUNITY

Sunrise Home Owner Association (HOA) is responsible for ensuring that only acceptable materials are placed into the dumpster and that it is not overloaded. Please do not advertise the placement of the dumpster on High Timber Road. A copy of this flyer will be given to each household in the Sunrise community. Sunrise will receive ONE dumpster and we expect to fill it with our community junk. ***No materials should be placed on the ground or around the dumpster.***

The guidelines listed are applicable when you place materials into the dumpster.

Acceptable materials include:

- furniture
- refrigerators
- washing machines and dryers
- hot water heaters, and
- lawn mower

Please remove refrigerator doors, gas tanks from lawn mowers and drain all oils.

Unacceptable materials include:

- tree stumps and trunks
- yard waste
- auto parts
- car tires
- construction materials
- carpeting
- sheds
- fences
- hazardous waste
- household trash
- glass, mirrors, and
- wood
